69) The release ^{of prisoners} and
remission of sentence are done as
an act of clemency and
grace on the part of H. H. the

of provisions of the Cr. P. Code

Memorandum does not also make
any distinction between persons

therefore that the cases of persons

committed by them, and the fact that they had undergone only a small portion of the sentence. Since the Judges of the High Court had no objection to their release, their names were retained in the list.

The question of release of prisoners convicted in St. Philomina Church Rioting case had been under consideration for some time past. Nine of them against whom there was nothing bad on record, prior to the rioting, were therefore included in the "A" list. The name of Syed Ziauddin (1717) recommended by the Inspector General of Prisons, was omitted in view of his bad record prior to the rioting.

The Dewan and the Second Member of Council ^xagreed with me that the lists "A" and "B" be approved with the above modifications. As the matter was urgent, ^xnecessary orders were issued in anticipation of His Highness' sanction. I solicit His Highness' gracious approval to the action taken.

107) Secy G. & R. of Prisons
has submitted for sanction a consolidated
list of prisoners to whom the grant of
remission is recommended.

The Official Memorandum
issued on 6th May 1938, was on the lines
of the Memorandum issued on the occasion

26/8/38

Serial
No.

of H. H. the Governor's. Memoirs in June 1910.
Para 5 of the Memorandum contains the directions
for granting the Remission on a particular
Scale. A Remission of 7 days is to be granted
to prisoners with over one month and up to
Three months to serve; a remission of 15 days
to prisoners with over Three months and up to
Six months to serve and so on. A reference
to the previous file of 1910 shows that the expression
'to serve' was understood to mean the
unexpired portion of the sentence, and that
remissions were also calculated and
granted on that basis. But the expression
'to serve' has now been understood by
the Office of the D. G. of Prisons as denoting
the period of sentence itself. The result
is while the Remission was previously granted
on the basis of the unexpired portion of the sentence,
and was also not intended to be on the basis
of the unexpired portion of the sentence, the
Remission has however, been actually
worked up on the basis of the length of
the sentence.

--- In this connection it may
be pointed out that the Office of the D. G. of
Prisons was probably led to this way of
thinking by the method of calculating

remissions adopted on other occasions immediately preceding the present one. On the auspicious occasions (i) of the signature of Peace in 1920, (ii) of the Visit of H.R.H. The Prince of Wales in January 1922, and (iii) of the Silver Jubilee of the Reign of H.H. The Maharaja of Mysore in 1927, the remissions had been ordered on the basis of the length of the sentence.

The list now submitted by the D. G. of Prisons contains about 475 names. Of these there are about 175 long term prisoners who are not affected by calculation either way. They will in any case be entitled to a remission of 5 months, as even their unexpired portion of the sentence exceeds 5 years. It is learnt that more than 125 persons (among those mentioned in the list) have already been released by virtue of remission earned by them according to the method of calculation adopted in the office of the D. G. of Prisons. It is also learnt that as directed in the L. O. of 13.5.38, the remissions (and naturally

In these peculiar circumstances the list of remissions as recommended by the I.G. of Prisons may perhaps be approved.

108. The I.G. of Prisons has submitted a list of prisoners who are entitled to remission of a part of their sentences in ^{connection with} ~~connection with~~ the marriage of Prince Jayachamarajendra Wadiyar. The remission has been calculated by the jail authorities on the total sentence to which a prisoner has been sentenced. They were probably led to this method of interpretation of paragraph 5 of the Official Memorandum dated 6th May 1938, on the precedent of the remissions granted on the occasions of the Imperial Durbar of 1911, the signing of the Peace Treaty of 1919, the visit of the Prince of Wales in 1922 and His Highness Silver Jubilee in 1927.

The wording in para 5 of the O.M of 6th May 1938 runs thus: " Prisoners with ^{over} one month and up to 3 months to serve 7. days, etc. " This wording

has been copied from the Official Memorandum that was issued on 3rd June 1910 in connection with the marriage of His Highness the Yuvaraja. Then, it is found from the file, remission has been calculated on the remaining sentence that had yet to be undergone by each prisoner, and not on the total sentence that was imposed upon him. The words "to serve" have probably led to some doubt in the interpretation on the part of the Jail authorities. It would have been clear if it had been stated "yet to undergo" or "yet to be served".

There are several occasions on which remissions have been granted previously. ^XThese are all summarised in the notes on pages 2 to 10 of the Prisons File No.6-27 of 1927-28.

(1) on the occasion of the Coronation of King Emperor in 1903, remission of one month for each completed year of imprisonment already served by a prisoner was granted;

(2) on the occasion of the marriage of His Highness the Yuvaraja, remission was calculated on the period yet to be served;

(3) the above method of calculation was followed on the occasion of the birth of a son to His Highness the Yuvaraja in 1919; *The words then used were clearly "The sentence they had yet to undergo".*

(4) on the occasion of the Imperial Durbar in

Serial

in 1911, remission of one month for each year of sentence originally imposed was granted;

The words then used were " under sentence of imprisonment of"

(5) on the occasion of the signing of the Peace Treaty in 1919;

(6) the visit of His ^{Royal} Highness the Prince of Wales in 1922;

(7) Silver Jubilee of His Highness in 1927.

In the last three cases, remission was calculated on the period of sentence imposed on each prisoner.

It is thus found that all the three methods of calculation have been followed previously. In the present case, since the wording of the ^XO.M. of 1910 has been followed, the intention appears to have been to calculate the remission on the sentence that remain^{ed} yet to be served by each prisoner.

In the list of prisoners submitted to Government for release on the date of the marriage of the Prince, remissions were calculated on the basis of the total sentence and those who ~~could be released according to calculation~~ ^{calculated on this basis} and who on account of the remission would be entitled to release on that day, were recommended for release. The Government sanctioned their release

in G.O. of 13th May 1938. The present list contains about 475 names for remissions. Of these, 175 are long-term prisoners who ^{would earn the same amount of rem} ~~are not affected~~ by either method of calculation. It is learnt that more than 125 prisoners have already been released in pursuance of remissions earned by them according to this method of calculation. Thus there would remain about 175 more prisoners who will be affected if remission is calculated on the basis of the sentence that remains yet to be served by them.

109 The Jail Superintendent would have announced to the prisoners the remissions that they would earn, as was required to be done in paragraph 6 of the G.O. of 13th May 1938. A different method of calculation at present would cause some disappointment to these 175 prisoners. In these circumstances, the remissions as calculated by the Prison authorities in the list submitted by them may perhaps be approved.

Release of Prisoners. 6 May

In honor of the approaching marriage of Prince Sri. Jaya Chamaraja Wadiyar, the Government ~~propose to~~ direct, as an act of clemency, the release on the 15th May 1938 of a ~~certain~~ number of convicts confined in all the jails & lock-ups in ~~with the Prisons of~~ the State, the selection being made in accordance with the following instructions.

2. Sh oners.— All persons under sentence of less than six months imprisonment or less than six months may be released on that date. This release will be granted only to well-conducted convicts, and under no circumstances to those who have been more than twice convicted or to those who have been committed to jail in default of furnishing security for keeping the peace, or those whose premature release is deemed to be unsafe in public interests.

the above, five per cent of all prisoners under confinement are to be released on 15th May 1938, the number being spread as evenly as possible over all localities in the State. In making the selection, the following prisoners should be excluded from consideration:—

- (a) Those whose conduct in jail has been bad and turbulent;
- (b) Those whose original offences were of a kind to make them permanently dangerous to society or public order, should they be restored to liberty and those whose release would be likely, ~~to~~ looking to the crimes of which they were convicted to give rise to a renewal of blood feuds, etc.;

- (c) Professional and habitual criminals and prisoners convicted more than twice.

4. The five per cent should be selected as far as possible from the following classes:-

- (1) Those who have generally borne a good character but were led under a sudden impulse to commit crimes such as riot, affray, assault or culpable homicide & in a moment of danger. Also women who have committed infanticide to hide their shame, and generally speaking, those whose crimes were committed under circumstances which would greatly extenuate their guilt.
- 2) Those who committed the crimes for which they are undergoing imprisonment at an early age and without the display of any special depravity, in fact, those who erred more from ignorance than from conscious wrong-doing.
-) Those whose crimes were of a grave character but which have been expiated to some extent by long imprisonment with good behaviour.
- (a) In making the selection, the proportion of sentence undergone to ~~the total~~ sentence should be taken into consideration.
- (b) Persons to be released by ordinary efflux of time on the 15th May are not to be included in the five per cent.

granted in accordance with the following scales to all other prisoners:-

Prisoners with over one month and up to three months to serve; 7 days.

The above concessions will be subject to the following exceptions:-

- (1) Criminals who have been more than twice convicted.

Those whose original offences were of such a kind as to render them permanently dangerous to society or public order, or those whose crime were committed in such circumstances that their release is likely to give rise to a renewal of blood-feuds or other disturbances of the public peace.

2 above, the submission of lists to Government before release is likely to be attended with some difficulty and will not therefore be insisted upon. A consolidated ~~list~~ list of prisoners released in all the Lock-ups in each District and in each of the Jails at Bangalore and Mysore should be submitted as early after the 15th May 1938 as may be practicable.

7. In the case of other prisoners to be released under paras 3 and 4 and of those whose sentences will be remitted under para 5 above, the Inspector-General of Prisons will be good enough to cause a list to be carefully prepared in the accompanying form and to submit the same confidentially for the orders of Government on or before the 10th May 1938. He will further furnish at the same time to every District Magistrate an extract from the said list (A) containing particulars of the prisoners of his district whom it is proposed to release on the 15th May 1938; and the District Magistrate will, after a careful scrutiny, submit to Government by the 10th May 1938 any suggestion he may wish to offer on the Inspector-General's recommendations. In making the selection the Inspector-General will be guided by the instructions given above, and in final

all doubtful cases he will (and to save time, the Superintendent# of the Central Jail and ~~the Mysore Jail~~ ^{himself} may ~~themselves~~ directly) seek ^{the} advice and suggestions of the Magistrate of the District or of the Courts or Magistrates by whom the prisoners concerned were convicted. The Inspector-General will also simultaneously forward a copy of the list to the Registrar of the High Court, who will place it before the Chief ^{Justice} Judge with a view to the Government being favoured on or before the 10th May 1938 with the opinion of the High Court as to the desirability or ~~otherwise~~ ^{the contrary} of the releases recommended either generally or in individual cases.

8. A copy of this Memorandum will be forwarded to the Registrar of High Court for the information of the Judges of the High Court, the Inspector-General of Prisons and the District Magistrates of Dts

Adverting to the Official Memorandum No. P.6207-16/Pris.
4-37-1 dated the 6th May 1938 regarding the release of a certain
number of prisoners from the Jails in the State on 15th May 1938
in honour of the marriage of Prince Sri Jayachamaraja Wadiar, I
have the honour to forward as per instructions in para 7 of the
Memorandum, Lists A & B, the one showing the names of prisoners
recommended to be released, and the other, of those to be granted
remission of sentences in accordance with the scale prescribed. The
for
List B of the Central Jail shows the names of only those prisoners
who, if given the remission proposed, will be due for release on
the 15th May 1938. The other prisoners in this Jail who have to
be granted the remission of sentences, number about 700. The case
of these prisoners have to be scrutinised and such of the prisoners
as satisfy the conditions under Para 5 of the Memorandum have to
be given the remission according to the prescribed scale. This
takes much time. A list on behalf of these prisoners is, however
being prepared, and will be submitted to the Government as early as
possible.

2 I have also sent a copy of the List A to the Registrar, High
Court of Mysore and extracts from this List to the Deputy Commissioner
of the Districts concerned. A consolidated list of short-term
prisoners i.e., of prisoners under sentence of one month's imprisonment
or less to be released from Jails and Lockups on 15th May 1938
will be submitted to Government as early after 15th May 1938 as may
be practicable as required under para 6 of the Memorandum.

3. I enclose herein a separate list showing the names of - prisoners sentenced to various terms of imprisonment for political offences under Police Act ~~and~~ and also under Section 188 Indian - Penal Code. I may note that Rule 304B under Chapter XX of the Mysore Jail Manual contemplates the grant of extraordinary or - special remission to prisoners. But Rule 666 of the Jail Manual indicates that the rules under Chapters XX, XXI, and XXIV of the Manual do not apply, prima facie, to prisoners sentenced to Simple imprisonment.

I solicit early instructions ^{as to} ~~early~~ instructions whether remission may be given to prisoners sentenced to Simple imprison-

SIR,

I am directed to advert to Official Memorandum No. 9-6207-16-Pension 64-37-1, dated 6th May 1938, regarding the release of prisoners in honour of the approaching marriage of Prince Sri Jaya Chamaraja Wadiyar, and to Letter No. 4790-10-18, dated 8th May 1938, of the Inspector-General of Prisons, enclosing a copy of the List A showing the names, etc., of the prisoners recommended for release on the 15th of May 1938. The Judges of the High Court see no sufficient reason for differing from the proposals of the Inspector-General of Prisons regarding prisoners in the Sub-Jail at Mysore. In regard to the list of prisoners in the Bangalore Central Jail recommended for release the Judges have examined the records in all the more serious cases except those of (13) Paruva and (14) Mada, who did not appeal to the High Court. Many of the cases examined are very serious ones; but the Judges do not wish to raise any objection to the exercise of mercy on such an occasion as this except where it appears really necessary. In their opinion, however, it would be a serious mistake to release the following prisoners, namely :-

(15) Veerabhadra, who committed murder for gain as a hired assassin,

(21) Padmamma, who murdered a little child for his jewels - a horrible crime.

(29) Chennabasaviah, who received a very light sentence for an offence which resulted in the death of the

victim and which, if properly investigated, would probably have been shown to be much more serious than the offence made out (grievous hurt) and who has served barely a quarter of his light sentence,

(42) Mohādeen Sab, who was convicted of a very serious and deliberate murder and whose sentence of death was confirmed by the High Court.

I have the honour to be,

Sir,

Your most obedient servant,

J. Lamminger

In inviting your kind reference to Government Order No.P. 5207-16/Prisons 64-37-1 dated 6th May 1938 and Government Order No.P.6422/Pris. dated 13th May 1938 on the above subject, I have the honour to state, that on receipt of the Government Order No. P.6207-16/Pris.64-37-1 dated 6th May 1938, a copy of the same was sent to the Taluk Lock-up Officer, Tarikere, for information and necessary action and he was asked to submit a list of such prisoners for release or for recommendation for remission of sentences. The Lock-up Officer reported that there was in the Lock-up only one prisoner named Latcha Naik convicted on 2nd May 1938 for an offence under Section 58 of the Excise Act and sentenced to a fine of Rs 25/- with a default sentence of one month's Rigorous imprisonment and who was due for release on 1st June 1938 and that this man had one previous conviction of 2 months Rigorous imprisonment for an offence under Section 380 I.P.C. and recommended him for release as per Government Order under reference. As there was nothing in the above Government Order to indicate that persons who were suffering default sentences of less than one month should not be released the above release was ordered. A copy of the list showing the names etc., of this prisoner recommended for release was also sent to the Inspector General of Prisons for information on the 11th instant in reply to his letter No.4790-2/9 dated 6th May 1938, calling for a list of prisoners for release etc., in the

The Lock-up Officer ^{therefore} requests instructions for writing to the Magistrate concerned for the ~~the~~ issue of a fresh warrant for the arrest of the said prisoner to undergo the unexpired default sentence.

Letter No.J1.C.393/37/38 dated the 20th May 1938
from the Deputy Commissioner, Shimoga, to the Inspector
General of Prisons in Mysore, Bangalore.

In forwarding herewith the list of short-term
prisoners released on 15th May 38 in honour of the marriage
of Prince Sri Jaya Chamaraja Wadiyar, I have the honour to
state that the five prisoners noted in the margin who were
serving sentences of imprisonment in default of payment of

4. Boolya, Lockup, Shikarpar.	0	
5. Hiriya, -do-	0	that the order applied
		to short-term prisoners

whose unexpired portions of sentence was one month or less
including default sentences.

I had requested definite instructions regarding the interpretation of the word "sentence" as used in the above Govt Order No.P.6407-16/Pris.64-37-1 dated 6th May 38, in this office letter of even number dated the 10th May 38 and the reply from the General Secretary to the Govt - No.P.6423-30 dated 13th May 38, stating that it does not include the default sentence of fine, was received in this office only on the 15th morning at 9.30 A.M. by tannal, by which time the prisoner in the several Lock-ups had already been released. The Lockup Officers could not be advised of these instructions. I would therefore request the favour of your obtaining the approval of Government to the release of the five prisoners referred to above.

I very much regret the error.
